625 52nd St., room 308
Kenosha WI 53140
T: 262.653.4030

KENOSHA – The City of Kenosha is making plans for the design of the 22nd Avenue corridor between 60th and 64th Streets as the area undergoes street reconstruction in 2020. The City is working with a consultant team of Kimley-Horn and Prism to work with the community to develop a vision for the area, including streetlights, benches and other “streetscape” details related to the project.

Community members are invited to share their ideas for streetscape enhancements for the Uptown Neighborhood during two drop-in sessions from 11 a.m. to 7 p.m. Thursday, Feb. 7 and 9 a.m. to 4 p.m. Saturday, Feb. 9 at the Design and Input Center, 6204 22nd Ave. Refreshments will be available, and there are coloring and design activities for children.

For further information about the project, visit: http://tiny.cc/kenoshauptown.
