**CAUTIONARY STATEMENT TO OWNERS OBTAINING BUILDING PERMITS**

*101.65(lr) of the Wisconsin Statutes requires municipalities that enforce the Uniform Dwelling Code to provide an owner who applies for a building permit with a statement advising the owner that:*

If the owner hires a contractor to perform work under the building permit, and the contractor is not bonded or insured as required under S.101.654(2)(a), the following consequences might occur:

- a) The owner may be held liable for any bodily injury to or death of others or for any damage to the property of others that arises out of the work performed under the building permit or that is caused by any negligence by the contractor that occurs in connection with the work performed under the building permit.
