Dear Sir:

The undersigned offers to purchase waste wood from the City of Kenosha subject to the following terms and conditions:

**1.) Definition.** Waste wood is defined as tree stems and branches of irregular size, shape and condition and comprised of various species which may be suitable as firewood, sawlogs or landscaping purposes. Waste wood is uncut and unsplit. Waste wood may contain hollows and be in various stages of decay. Waste wood will vary in size from @ 12" in diameter to @ 42" in diameter.

**2.) Quantity.** Loads are based upon a four and one-half (4.5) cord (576 cubic feet) dump box. The actual amount received may be more or less than 4.5 cords. Request for half loads or less are charged the same amount as a full load.

**3.) Purchase Price.** A load of waste wood delivered to CITY OF KENOSHA RESIDENTS ONLY for \$50.00. **A Check must accompany this form and made payable to "City of Kenosha Park Department."**

**4.) Delivery.** Once the check and this form are received, your request will be added to a list and delivered according to the date the order was received at the Park Department office. The Park Department will contact you by telephone prior to delivery. The property owner is responsible for complying with local ordinances governing firewood use and storage.

**5.) Release of Damages.** I expressly agree that the City is not responsible for damage caused by the delivery or weight of the truck, such as, but not limited to, cracked sidewalks and driveways, ruts, or damage to turf.

**6.) Termination.** This agreement shall become null and void upon receipt of waste wood. If waste wood has not been received by December 31 of the year the order was placed, this agreement shall be null and void in which case a full refund will be provided by the City of Kenosha to Purchaser.
