*****UPDATE*****

September 22, 2023

At about 1:30pm on today's date, Officers of the Kenosha Police Department responded to a residence in the 4200 blk. of 8th Ave. after receiving information that a suspect in the above shooting was at this location. The suspect is a 19-year-old male and Kenosha resident. He was observed at the location but refused to surrender by barricading himself in the residence. This incident was in very close proximity to an area middle school. The Kenosha Police Department was immediately in contact with Kenosha Unified Staff and the school went into lock down as a precaution. The Kenosha Police Special Weapons and Tactics (SWAT) team responded to the scene while our trained negotiators made phone contact with the suspect. The negotiator was in contact with him for over an hour and was receiving limited cooperation. In order to maintain containment of the suspect who was now outside the residence and not following officer's commands, a less lethal foam (sponge) was deployed striking the suspect in the thigh and allowing officers to take him into custody. The suspect was treated on scene by medical staff and transported to a local hospital as a precaution.

This remains an open and active investigation, there are no further details at this time.
