

# Smart homeownership starts here

## What Homebuyers Say

9 out of 10 homebuyers surveyed would recommend Framework's course to a friend.

"Honestly, I thought I knew enough about the homebuying process, but there was so much more that I wasn't aware of. I am much better informed now."

—Jessica P.

"I couldn't believe how much I learned in one day. All my questions were answered. It's a good way to prepare yourself for a big investment."

—Brittany H.

"One of the best online trainings or courses I've ever taken. It felt like having the best professor in the classroom."

—Juan D.

## Educate yourself online with Framework

Buying a home is a big deal, whether it's your first time or you're getting back into the ever-changing market. With the Framework course, you can navigate every step of the process with confidence.

## Everything you need to know, fast

Created by housing experts at two leading nonprofits, the Framework course is the most comprehensive of its kind. Designed for today's homebuyer, it's easy to use, and fun! Most finish in just a few hours.

## Yes, it works great on your phone

The course is optimized for all your devices—laptop, tablet, smartphone. So you can work on it whenever, wherever. It's all your questions answered, right at your fingertips.

## Handy certificate of completion

When you pass the course, you'll get the certificate required by many of the loan and incentive programs that make buying your first home more doable. You can also hang it on your new refrigerator!

## What you'll learn

- How much you can afford
- How to fix or improve your credit
- How to shop for the best loan
- The 7 steps of the mortgage process
- What to include in your offer
- Home inspection basics
- What happens at closing
- And more

## Support after you buy too

Buying a home is just the first step of your homeownership journey. After completing the course, you'll receive Smart Start, our education series for new homeowners. No extra charge.
