KENOSHA – Seeking a unique gift for your Valentine? Candy and flowers disappear quickly, but the shared memories of sailing aboard a historic Tall Ship last a lifetime. Book a tour of the Kenosha shoreline on Red Witch or Appledore IV – two of the seven tall ships sailing into the Kenosha harbor Aug. 1. Festival admission passes allow visitors to explore the majestic vessels from bow to stern as the City of Kenosha welcomes the ships to our harbor during the TALL SHIPS CHALLENGE® Aug. 2-4.

Vessels will arrive in a “parade of sail” on the afternoon of August 1, lead by Kenosha’s own tall ship, the schooner Red Witch. Ships will be moored along the harbor at 54th Street between Sixth Avenue and First Avenue, and next door to the Kenosha Yacht Club on Simmons Island. Live entertainment, food and beverage vendors, and children’s activities will add to the festivities.

Kenosha is one of 11 host ports on the Great Lakes in 2019 – including stops in Canada – and one of only two port stops on Lake Michigan. For more details on the festival and ships, visit www.kenoshatallships.com. For volunteer and newsletter sign-up information, email: kenoshatallships@kenosha.org.
