Kenosha Transit

262-653-4290

KENOSHA – Kenosha Area Transit (KAT) received approval from the Wisconsin Department of Transportation and Federal Transportation Administration to extend the Congestion Mitigation and Air Quality Improvement Program (CMAQ) grant through 2023. The approval was received in concurrence with the Department of Natural Resources, South Eastern Wisconsin Regional Planning Commission and Federal Highway Administration.

The CMAQ program provides funds to states for transportation projects aimed at reducing traffic congestion and improving air quality. The grant could possibly extend beyond 2023 based on availability of funds.
