KENOSHA – GreenLight E Recycling, LLC of Racine will offer free electronic disposal for Kenosha County residents from 9 a.m. to 12 p.m. Saturday, May 13, 2023 at the Kenosha Water Utility, 4401 Green Bay Road. GreenLight E Recycling, LLC is a Green Masters Certified recycling center, and works to ensure scrap materials are sent to the proper recycling facilities and diverted from landfills.

People may drive up for curbside service to drop off microwaves, Freon appliances, all electronic components and parts and items containing a battery or a motor. Examples of other acceptable items for recycling include: desktop personal computers, network servers, laptops, LCD monitors, printers, scanners, keyboards, copiers, FAX machines, cable and wiring connectors and adapters and their components, gaming systems, phone systems, UPS devices and cell phones. Metal office furniture also is accepted.

Not eligible: Televisions, CRT monitors, fluorescent light bulbs, garbage/rubbish, plastic, solid wood components and any hazardous waste/materials.

Staff from GreenLight will be equipped with masks and gloves and will remove items from vehicles. Citizens are asked to remain in their vehicles during collection of the items.
