KENOSHA – Traffic patterns will shift Saturday on the reconstruction of 22nd Avenue on the city's north side. Currently one lane of traffic is open for northbound traffic on 22nd Avenue, while southbound is detoured between Washington Road and 60th Street. Beginning on Saturday, northbound traffic will be detoured, while one lane of southbound traffic will be opened.

The detour for northbound traffic will be posted for traffic to turn from 22nd Ave west onto 60th Street, then north to 30th Avenue, then east on Washington Road back to 22nd Avenue. The construction is expected to be completed by Nov. 9.
