KENOSHA – The Yard Waste/Brush Drop-Off Site at 4071-88th Avenue will open for the season on Monday, April 5, 2021. The hours of operation are 8 a.m. – 6 p.m. Monday through Saturday excluding holidays.

The Yard Waste/Brush Drop-Off Site is available to City of Kenosha residents only and is free of charge. Proper identification displaying proof of residency is required. No commercial disposal is allowed.

Citizens may drop off yard waste, brush and branches April through November at the self-serve drop-off site. Yard waste can be taken to the site in city-approved biodegradable bags or in any clean container, but it must be clean and free of debris prior to disposal. The City processes the yard waste into a high-grade compost, which is available to City residents free of charge when available.

For drop-off at the site, brush no longer needs to be bundled. Brush up to six inches in diameter and 12 feet in length is accepted. There is no weight limit for brush drop-off.

Citizens who may need additional assistance to unload their vehicles are encouraged to visit the Yard Waste Drop-Off Site on Wednesdays, when additional staff is available to help.

Curbside Yard Waste Collection

Spring 2021 curbside yard waste collection begins the week of May 3, 2021 and continues through the week of June 7, 2021. It is a violation of City ordinance to rake or deposit grass clippings or leaves upon streets, alleys, sidewalks or parks; or into any pond, stream, river or lake.
