KENOSHA – The community is invited to a free night of swimming, along with water safety instruction and information, from 6 to 8 p.m. today, August 5 at Washington pool, 1821 Washington Road. The 2022 Washington Park Pool Family Swim and Water Safety event is sponsored by the City of Kenosha and presented in cooperation with the Kenosha Safety Around Water Coalition. The goal is to encourage people to take safety precautions in and around water, while also having fun.

The water safety event is free and open to the public. Water safety information and demonstrations will be offered by a member of the Kenosha Safety Around Water Coalition in both English and Spanish beginning at 6:15 p.m. Free swim time will take place from 6 p.m. until dusk.

People are welcome to bring snacks and soft drinks or water. Reusable water bottles may be filled at the Kenosha Water Utility's Traveling Tap, which will be set up outside the pool.

This weekend Anderson Pool will be open Saturday August 6 and Sunday, August 7 while Washington Pool will be closed both days, weather and sufficient staff permitting. Pools are regularly closed on Mondays.
