

2021 Consumer Confidence Report rates Kenosha's drinking water as high quality

FOR IMMEDIATE RELEASE

June 3, 2022

For further information contact:

Ryan Spackman

Director of Water Production

Department of Water Utility

4401 Green Bay Rd

Kenosha, WI 53144

T: [262-653-4331](tel:262-653-4331)

KENOSHA – When you drink Kenosha tap water, you're drinking clean, high quality water. Kenosha's drinking water meets or exceeds all state and federal water quality standards. The Kenosha Water Utility's state certified laboratory tests Kenosha's drinking water more than 10,000 times per year.

The 2021 Consumer Confidence Report Data that is required by the Wisconsin Department of Natural Resources is available in many locations, including local libraries, local museums and community centers such as the Boys & Girls Club of Kenosha, Kenosha Area Family & Aging Services, Salvation Army, the Shalom Center and Visiting Nurses Association.

The report also is available by calling 262-653-4331, or online at the following website:
