KENOSHA – The City of Kenosha has set hours of trick-or-treat for 4-7 p.m. Monday, Oct. 31, 2022. The City is continuing its policy of having trick-or-treat on Halloween Day. Households interested in giving away treats should indicate their interest by turning on a light on their porch or in the front yard.

Drivers are reminded to slow down and take extra caution during the hours of trick-or-treat, to avoid accidents.

The Centers for Disease Control and Prevention offers the following safety tips for trick-or-treat:

- Eat only factory-wrapped treats. Avoid eating homemade treats made by strangers.
- Wear well-fitting masks, costumes, and shoes to avoid blocked vision, trips and falls.
- Look both ways before crossing the street. Use crosswalks wherever possible.
- Swords, knives, and other costume accessories should be short, soft and flexible.
- Examine all treats for choking hazards and tampering before eating them.
- Consider adding reflective tape to costumes to assist in visibility after dark. Sunset is at 5:45 p.m. in Kenosha on October 31.
