On 08/25/23 at around 6:45pm, officers Keith Soderstrom and Jonathan Guadarrama stopped out with a 24 year old male who was believed to be selling narcotics in the 2100 block of 53rd St. The individual was found in possession of two large baggies containing approximately 70 grams of marijuana and 10.2 grams of Fentanyl in pressed pill form.

A photo, showing the color and markings on the pills is below. Fentanyl laced pills are abundant and are responsible for many of the overdoses in the area. Through proactive police work officers are recovering more and more but public awareness of the issue is paramount to the safety and well being of the community.
