

ELECTION INSPECTOR TRAINING

ELECTION GREETER

Each polling location is provided with 2 tablets. These can be used where needed. For example, by the greeter or voter registrar.

The tablets contain:

- Active Voter list
- Ineligible Voter List
- Address Listing (Lists Addresses & Ward Assignments)
- Links to MyVote and “where do I vote Kenosha” for voter information

Is usually stationed near the entrance of the polling location and provide information to voters.

The “Greeter Binder” contains:

- Voter list
- Address listing
- Maps
- Information on photo ID and proof of residence
- Information on where to direct voters who live in Pleasant Prairie and Somers

Greeter functions:

- Look up ward #'s for voters and direct them to correct poll book table
- Provide information on photo ID and proof of residence
- Some voters may not remember their ward #, or they may be at the wrong polling place
- Some voters may need to register to vote
- Voters **do not** need to show photo ID at the greeter table

City of Kenosha Master Address List:

- Provided at each polling location
- Contains every address in the City
- Ward # assigned to address and polling location
