2. 2020-2024 Consolidated Plan for the CDBG and HOME Programs. PUBLIC HEARING (Joint Public Hearing with HOME Commission)

Public hearing opened and closed. No persons spoke.

Mr. Geliche and Mr. Maki gave a brief overview of the plan.

Alderperson Paff asked if other county towns have these programs?

Mr. Geliche stated the County receives State CDBG funds for housing rehabs. HUD has a formula for funds to be distributed and no-entitlement entities would have to apply for State HUD funds.

Mr. Frederick asked if there were any changes in the data when the research was complete?
Mr. Geliche answered that the results were closest to what they were five years ago.

Ms. Spottswood wanted to know who approved the participation plan?

Mr. Geliche said it is a City-approved plan that is shared with HUD.

Ms. Spottswood asked does the City or County identify at risk people without place to live or searching for house?

Mr. Maki explained the home buyer program through the Home Program. Real Estate communities, the Housing Authority, bank partnerships and online help spread the word of the programs.

Ms. Spottswood asked if there are any programs that offer assistance for those who are barely able to pay their bills?

Mr. Maki does not have a program like this. The Kenosha Housing Authority may be able to help with their Section 8 program for rental assistance. Other than homeless shelters, there is not an agency to help assist other than what is available online.

Ms. Spottswood mentioned with all the development here how do we know someone is creating low to moderate income jobs?

Mr. Geliche said through the CDBG funding there are reports needed showing the jobs created. There are about 4-6 jobs created per year.

Ms. Spottswood asked if there are lead paint programs for the homes are there any programs to test the water for lead? Would the water company send information to the home owners to inform them of lead piping?

Mr. Geliche said there is a water grant program to assist with the replacement of lead pipes through the Water Utility. HUD addresses the lead paint not the lead pipes. The Water Utility would send out grant program information to those home owners.

Ms. Flores asked how many people applied for the second mortgages this year? How many people have been helped this year for grants or rehab loans?

Mr. Maki stated to date no one has applied for the second mortgage program. We have had a few inquires but they did not meet the program requirements. A few years ago when the City built homes we would package a second mortgage. Mr. Maki explained the grant and rehab loan programs available for City residents. Last year about twelve people have received grants, and about twenty-five people so far this year have received grants.

Ms. Flores asked if there are any other programs for home improvements?

Mr. Maki said we have about four to five people we are working with for the rehab loan programs.

A motion was made by Alderperson Wilson and seconded by Ms. Flores to approve the CDBG and HOME programs Consolidated Plan. The motion passed. (Ayes 7, Noes 0)
A motion to adjourn was made by Ms. Spottswood and seconded by Alderperson Paff. The motion passed. (Ayes 7, Noes 0). The meeting adjourned at 6:48 p.m.

Certification that the minutes have been approved by the Home Program Commission.

LOCATION AND ANALYSIS:

1. The proposed 2020 HOME Program description, subject to public comments, is attached. This document, which is required by the department of Housing and Urban Development (HUD) outlines the City’s allocation of Federal FY 2020 HOME funds, as well as new Program Income and funds from previous years.

2. The 2020 HOME Program funding is estimated to be $510,507.00. The amount is based on our 2019 HOME Grant award. The funding amount will be adjusted if the FY 2019 allocation is more or less than what is indicated in the Program Description, by applying the same percentage of funding increase/decrease to each activity noted below.

3. The City has $135,169.89 of existing Program Income (PI). PI has been generated from loan repayments.

4. Through 2020, it is estimated that the City will receive approximately $45,000 of additional PI from HOME loan repayments. Of this additional PI, ten (10%) percent or $4,500 of the estimated/actual amount can be designated as Program Administration (PA) funds.

5. The proposed 2020 HOME Program Description permits commitment of funds to the following HOME Program activities:
   a. Homeowner Rehabilitation
   b. Home Buyer Purchase Assistance City-wide
   c. Down payment and/or Closing Costs Assistance Grant
   d. Acquisition and/or rehabilitation of homebuyer properties by a CHDO or sub-recipient
   e. New construction of single-family homes by a CHDO or sub-recipient
   f. Tenant-Based Rental Assistance (TBRA) for Elderly, Elderly Veteran, and Elderly with Disabilities Households.

6. Additionally, the City has the ability to fund CHDO Operating funds, which are five (5%) percent of the total HOME Program Allocation, as permitted through the HOME Program Description. It is recommended to fund the entire five (5%) percent.
7. The following HOME Program funding allocations are recommended for 2020.

RECOMMENDATION:

A recommendation is made to approve the proposed 2020 HOME Program Description.

Mike Maki, Community Development Specialist

Jeffrey B. Labahn, Director
Use of Funds

The City of Kenosha intends to use its 2020 HOME funds for Program Administration and for eligible HOME Program activities as outlined below. The 2020 HOME Program Description is designed to allow flexibility in the allocation and commitment of funds to a variety of eligible HOME Program housing activities.

The City is funding these particular activities in this plan in order to be consistent with its Consolidated Plan, and to insure local housing activities are consistent with neighborhood revitalization strategies already adopted by the City.

Program Administration

The City of Kenosha will use 10% of its 2020 HOME allocation for payment of administrative and planning costs of the HOME Program. These costs include the reasonable costs of overall program management, coordination, monitoring, and evaluation of HOME activities by the City of Kenosha. The City will also set aside 10% of eligible HOME Program Income for allowable HOME Program administrative costs.

City of Kenosha Eligible HOME Program Activities

The City of Kenosha may use available 2020 HOME allocation to support the following types of activities undertaken by the City, Community Housing Development Organizations (CHDOs), Sub-recipients or Private Developers:

A) Homeowner Rehabilitation
B) Home Buyer Purchase Assistance city-wide
C) Down Payment and/or Closing Cost Assistance Grant
D) Acquisition and/or rehabilitation of homebuyer properties by the City, a CHDO or sub-recipient.
E) New Construction of Single Family Homes by the City, a CHDO or sub-recipient.
F) Tenant-Based Rental Assistance (TBRA) for Elderly, Elderly Veterans and/or Elderly with Disabilities households

Community Housing Development Organizations (CHDOs)

A minimum of 15% of HOME funds is reserved for use by eligible CHDOs. The City of Kenosha has chosen to set aside 15% of its 2020 HOME funds for eligible CHDOs to undertake eligible HOME Program activities listed above.

The City will allow CHDOs to request a maximum developer/general contractor fee of 15% of the total project cost of each HOME funded project they undertake and complete. Additional funding for CHDO projects may be made available from other HOME Program funds.

The City could also set aside up to $25,000 for CHDO administrative expenses. The HOME Program regulations allow CHDO administrative expenses up to 5% of the City's total annual HOME Grant. CHDOs will need to submit an application to the City which includes their operating budget sources and use of funds to support their application for CHDO administrative expenses. The application will be reviewed by the City's HOME Program Commission with a recommendation to the City Finance Committee and Common Council for review and consideration.
**HOME Program Income**

HOME Program Income funds will be used to fund eligible HOME Program activities and funding set-asides for eligible CHDOs and/or sub-recipients to carry out HOME eligible activities, including housing rehabilitation projects, homeowner rehabilitation loans, homebuyer assistance and single family new construction. In addition, up to 10% of eligible program income may be used for HOME Program allowable administrative expenses.

The City may utilize HOME Program funds to support the acquisition and/or rehabilitation of affordable Rental Housing units. Eligible projects may be existing one or more multifamily buildings with rental units on a single site, or multiple sites that are under common ownership, management and financing. In no case shall funding be provided for a unit to be converted to a rental unit if the existing use or former use was owner-occupied housing. The project should also utilize private funds, Low Income Housing Tax Credits, Low Income Housing Revenue Bonds or other grant/loan programs to help leverage the HOME funds.

Units that are rehabilitated with HOME funds must meet all applicable state and local codes, rehabilitation standards and ordinances, including the City of Kenosha Minimum Housing Rehabilitation Standards. All assisted units are required to meet the accessibility requirements of the Fair Housing Act and Section 504 of the Rehabilitation Act of 1973. The property must be maintained in accordance with these property standards throughout the affordability period.

Rehabilitation of rental housing utilizing HOME funds will require a 5 to 15-year affordability period for the HOME Assisted Units. The HOME Assisted Units will be "fixed units" as opposed to "floating" HOME units for the entire affordability period. HOME Assisted Units must be comparable to non-HOME Assisted Units in terms of amenities, number of bedrooms, square footage and location in the building.

The household occupying such rental units shall be families or individuals whose income does not exceed 50% of Kenosha County median family income as published annually by the US Department of Housing and Urban Development (HUD). Low HOME Rent Limits will apply to all designated HOME units. The 50% HOME Rent Limits less any tenant paid utilities would apply to all other 50% CMI designated Assisted Senior Units. Determination of the minimum number of HOME Assisted Units per project and maximum per-unit HOME subsidy will be calculated according to all HOME Program standards, including, pro-rata (fair share test), the HOME per unit subsidy limit and subsidy layering analysis to determine the funding gap to be financed to provide the HOME affordable units.

The City's subsidy layering evaluation requirements are included in the next section below. The City may use the subsidy layering review done by WHEDA for the Low Income Tax Credit Program to ensure that no more than the necessary amount of HOME Program funds are invested in any one project to provide affordable housing.

HUD establishes subsidy limits annually on the amount of HOME funds that may be invested in affordable rental housing on a per-unit basis per locality.

Before committing HOME funds to a project that combines the use of any other local, state or federal assistance, the City must evaluate the proposed project in accordance with the guidelines that it has adopted, to ensure that the City does not invest any more HOME funds than are necessary to provide affordable rental housing. The guidelines, referred to as Subsidy Layering Guidelines, are incorporated as part of the City of Kenosha HOME Program Description, Consolidated Plan and Policies and Procedures.
The City of Kenosha will use the following types of subsidy layering review before committing HOME Program funds to any rental housing rehabilitation project:

A) A subsidy layering review produced by HUD when the other source of funding is provided by HUD, and HUD conducts a subsidy layering review;

B) Subsidy layering analysis produced by the Wisconsin Economic and Housing Development Authority when Low Income Housing Tax Credit (LIHTC) is used, and WHEDA conducts an evaluation to determine whether there are excess tax subsidies;

C) A subsidy layering analysis produced by the developer and reviewed by the City of Kenosha in accordance with the guidelines presented in HUD Notice CPD 98-1. These guidelines include review of the following documents supplied by the developer/applicant:

- **Sources & Uses of Funds**: As part of the application process, the City of Kenosha will require a Sources and Uses of Funds Statement for the proposed project with supportive documentation, including lender commitment letter(s), documentation of owner cash equity and any deferred developer fees. This should reflect the project development budget and should list:
  1. All proposed sources (both private and public) of the funds and dollar amounts for each respective source; and
  2. All uses of funds (including acquisition costs, rehabilitation or new construction costs, financing costs, and professional fees) associated with the project.

- **Certification of Governmental Assistance**: The applicant/developer must provide a formal certification as to whether or not additional governmental assistance will be provided to the project, and if so, what kind of assistance.

- **Project Development Budget**: The City of Kenosha will review the project development budget to determine whether the development costs are necessary and reasonable. The budget is to include all costs associated with the development of the project, regardless of the funding sources.
  1. "Reasonableness" of costs should be based on all of the following factors:
    a) Cost of comparable projects in the same geographical area;
    b) The qualifications of the cost estimators for the various budget line items; and
    c) Comparable costs published by recognized industry cost index services.

- **Proforma**: The City of Kenosha will determine the reasonableness of the rate of return on equity investment by looking at the applicants proforma (project income and expense statement). The proforma should include achievable rent levels, market vacancies, and operating expenses. It should also specify the consequences of tax benefits, if any, and any other assumptions used in calculating the project cash flow. The proforma should represent, at a minimum, the term of the HOME affordability requirements (20 years) or longer if any other funding sources require longer affordability terms.

- The subsidy guidelines can also be used to determine the appropriate level of HOME funds to be used in a project absent of any other governmental assistance.
The City will utilize the underwriting guidelines in its Policies and Procedures and will assess whether there is adequate market demand prior to commitment of HOME funds.

**Home Sales Policy**

Homes for sale through the City of Kenosha HOME Program will be advertised and sold on a first-come-first-served basis.

**HOMEBUYER APPLICANT REQUIREMENTS**

**Citizenship**

Applicants to purchase properties for sale through the City of Kenosha's HOME Program must be US citizens or have "Qualified Alien" status under Section 431 of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996.

**Income**

Eligibility for buyers through the HOME Program is based on annual household income. Total annual household income cannot exceed 80% of the County's median income per family size as determined by HUD. In accordance with the federal HOME Program Rules, the City has chosen to use Federal Income Tax IRS Form 1040 adjusted gross income to determine annual income. All homebuyers must sign IRS Form 4506 "Request for Copy of Tax Form" and the City will request a copy of the applicant's federal tax return transcript from the IRS. For IRS tax returns older than six months, the City will require an updated income verification, including third party verification of employment and recent earnings statements.

**Ability to Obtain Mortgage Financing**

Potential homebuyers must have the ability to obtain a Fixed Rate mortgage loan from a private lender or the City for a minimum of 80% of the purchase price of the property offered for sale. The minimum financing is based on a 3% down payment. Where the homebuyer provides a larger downpayment, the minimum financing obtained through a private lender or the City may be reduced.

**Down Payment Requirement and Down Payment Assistance**

All homebuyers are required to provide a 3% down payment at closing. The down payment may be from the buyer's personal savings or from a Down Payment Assistance Grant provided through the Federal Home Loan Bank, City of Kenosha, or other source of down payment assistance.

The City may provide a Down Payment Assistance Grant to eligible homebuyers through HOME Program funds. The Down Payment Assistance Grant will require the homebuyer to pay a minimum of 25% of the required downpayment amount, or $1,000, whichever is greater. The Homeowner will be required to live in home for minimum of five years, or the grant amount will be required to be paid back in full, less a 20% reduction for every year the homeowner resides in the home. Down Payment assistance will only be provided in conjunction with the Second Mortgage Program, except for VA Loan Borrowers.

**Down Payment Assistance for VA Loan Borrowers**

The City may provide a Down Payment Assistance Grant of up to $5,000 for eligible Veterans.
Administration Loan borrowers. Down Payment Assistance Grants will be a lien filed on the property and will be forgiven provided the homeowner resides at the property for a period of 5 years after purchasing the property. Where the homeowner lives in the home less than 5 years, the grant amount will be required to be paid back in full, less a 20% reduction for every year the homeowner resides in the home.

**Primary Residence and Owner Occupied Single Family Deed Restriction**

HOME assisted property must be occupied as the homebuyer's primary residence. The City will place a Deed Restriction on the property at the time of property transfer: "This property is a single family dwelling and will always remain a single family dwelling and owner occupied for as long as it remains on the land." The homebuyer cannot own any other residential property at time of closing.

A deed restriction will also be recorded on properties that have utilized a mortgage to complete owner-occupied rehabilitation through the Rehabilitation Loan Program.

**Homebuyer Counseling Requirement**

All homebuyers receiving assistance through the City's HOME Program must participate in homebuyer training offered through a HUD certified Local Housing Counseling Agency and provide the City with certification they have successfully completed such training.

**Mortgage Subordinations**

The City will process requests for mortgage subordinations from homebuyers for their HOME funded second mortgage under the following criteria:

A) By refinancing their first mortgage, the borrower will be able to lower their interest rate, monthly payment and/or loan term.

B) The borrower will be able to convert from an ARM to a fixed rate mortgage.

C) The borrower will be taking out an equity loan or refinancing for purposes of doing home improvements, purchasing a car or for college costs.

D) The City will require a 90% Loan to Value limit on equity loans, and a maximum of 125% Loan to Value limit on refinancing where the borrower is able to lower their interest rate, payment or loan term. The Loan to Value ratio will include the City's HOME second mortgage balance.

E) The City will use the Assessed Value as determined by the City Assessor's Office, Estimated Market Value consistent with valuation modules permitted by the first mortgage's loan program, or appraised value, whichever is higher, to determine the property value.

F) Closing costs and fees for the proposed refinancing loan or equity loan must be no more than 3% of the proposed new loan amount.

Written requests for mortgage subordinations from homebuyers with a HOME second mortgage will be accepted and reviewed by City staff. A report and recommendation will be submitted to the City of Kenosha Housing Authority Board of Commissioners for review and consideration. A processing fee of $100 will be charged to the borrower upon approval and processing the mortgage subordination.
**Second Mortgage Purchase Assistance**

Second mortgage purchase assistance loans will continue to be made available to income
eligible homebuyers purchasing new or existing homes city-wide. These purchase assistance loans will
be provided for up 17% of the purchase price of the home. HOME second mortgage purchase loans for
eligible homebuyers will be written as deferred payment loans at 0% interest for the first ten (10) years,
then monthly payments will be required for the next twenty (20) years at an interest rate of 3% annually.

On a case-by-case basis, subject to final approval by the Kenosha Housing Authority Board, the
City may offer a second mortgage loan where repayment is deferred until time of sale or when the
property ceases to be the principal residence of the homebuyer. This provision is also available to
existing holders of City Second Mortgage Loans when refinancing. Repayment shall not be required
until the borrower sells the home or it is no longer their principal residence. Such loans shall be subject
to a “deferred loan fee” of 10% of the original loan amount at the time of repayment.

In all cases, the second mortgage will be based on the financing gap, less the amount of the first
mortgage and required down payment. As part of its underwriting review, the City will evaluate debt-to-
income (dti) ratio for all applicants. Generally, the front end dti should not be any greater than 30%,
including the first mortgage principal and interest, taxes and insurance, and the back-end dti should be
less than 45%. Where the front-end dti is greater than 30% or the back-end dti is greater than 45%, the
City may provide a second mortgage for a larger amount than the financing gap to reduce the front-end
dti to 30% or less, or to reduce the back-end dti to 45% or less.

**Closing Cost Assistance**

The City may provide a Closing Cost Assistance Grant, up to 3% of the purchase price, to
eligible homebuyers through HOME Program funds. The Homeowner will be required to live in home
for minimum of five years, or the grant amount will be required to be paid back in full, less a 20%
reduction for every year the homeowner resides in the home. Closing cost assistance will only be
provided in conjunction with the Second Mortgage Program.

**Recapture and Resale Provisions**

The City of Kenosha anticipates that some of the first-time Home buyer (FTHB) assistance
provided with HOME funding will be a development subsidy used by the City or developer (HOME fund
recipient) to produce affordable housing units. In those instances, it is expected that some of this
subsidy will be a project development subsidy and this subsidy amount may not be recaptured.

**Recapture Option**

This option will be used by the City to recapture the HOME funded second mortgage purchase
assistance loans provided to the homebuyers if the HOME recipient decides to sell the house within the
required affordability period. The homeowner is able to sell the property at whatever price the market
will bear. Recaptured funds are considered HOME Program Income to be reused for any HOME-
eligible activity.

The City of Kenosha will also require that rental housing developers who have been assisted
with HOME funding be subject to recapture provisions in the event the owner/developer sells their
property before the period of affordability has expired.
Five (5) years when the per unit of HOME funds is less than $15,000
Ten (10) years where the amount of HOME funds provided is $15,000 to $40,000
Fifteen (15) years where the per unit amount of HOME funds is greater than $40,000

*Per unit HOME Program assistance for home ownership is based on the amount of the HOME mortgage purchase assistance provided to the homebuyer. For example, if the City's HOME funded second mortgage to the buyer is $25,000, the affordability period on the home is 10 years. Therefore, the City will provide second mortgage purchase loans with monthly payments deferred for 10 years at 0% interest. After the initial 10 years, the loan converts to a 3% monthly installment loan at 3% interest for a 20-year term.

Resale Option

The resale option will only be used by the City in those cases where the homebuyer declines to accept a HOME funded second mortgage to purchase a HOME Buyer Program property. This option ensures that the HOME-assisted unit remains affordable over the entire affordability term. Resale requirements under the "resale option" include the following:

A) The new purchaser must meet HOME Program income eligibility requirements (annual adjusted income below 80% of Kenosha County median income for family size).
B) The new purchaser must occupy the property as their principal place of residence.
C) The sales price must be affordable to the new buyer.
D) Affordability is defined as: Monthly payment for principal, interest, taxes and insurance (PITI) cannot exceed 40% of the purchaser's gross annual income.
E) The seller is entitled to a "fair return" on their investment upon sale of the property. "Fair Return" on investment for purposes of the City's HOME Program includes the homeowner's initial investment (first mortgage, down payment and closing costs) and any documented capital improvements to the property completed after the initial sale.

Enforcement of the Recapture or Resale Options

The City will use the following legal instruments to meet and enforce the requirements of the recapture or resale restrictions:

**Matching Funds**

The City of Kenosha intends to satisfy the Federally-mandated match requirements by using a combination of the eligible forms of match outlined in Section 92.220 of the HOME Program regulations. The City and all sub-recipients will document "match" on a per-project basis.

**Funding Reduction and Adjustment Based on Actual HUD Allocation**

If the 2020 funding level is more or less than the $510,507.00 as indicated in this program description, each program activity will be adjusted by applying the same percent of funding increase or decrease equally to each activity.

**Applicability of this HOME Program Description**

The 2020 HOME Program Description shall supersede any and all previous HOME Program Descriptions in regard to the purposes and use of HOME Program funds.
