The following items must be completed and submitted as a packet:

1. Porch/Deck permit application

2. One (1) set of plans (for new construction), size 8 1/2” x 11” or 11” x 17”, drawn at 1/4” scale. Plans must include a framing plan showing deck layout, post size and spacing, beam size and thickness, joist size and spacing, railing height, spindle spacing, and decking materials. Porch roofs must show header size and spacing, rafter size and spacing, and post size and spacing.

For Information regarding porch/deck requirements and codes, please reference the Wisconsin Department of Safety and Professional Services, Chapters SPS 320-325, Appendix B, New Deck Code. This information is also available on the City’s Website

Note: For commercial projects, plans must be designed and stamped by an architect or designer.

3. Cautionary Statement (required if the property owner is listed as the contractor); OR State Licensing (required if a contractor is listed). State licensing is not required for commercial projects.

### Any contractor* that performs work on a one- or two-family dwelling must possess the following 2 licenses:

1. Dwelling Contractor Certification number
2. Dwelling Contractor Qualifier Certification number

Licenses are available through the Department of Safety and Professional Services (DSPS) at: [http://dspw.wi.gov](http://dspw.wi.gov)

I agree to comply with all applicable codes, statutes, and ordinances, and with the conditions of this permit; understand that the issuance of the permit creates no legal liability, express or implied, on the state or municipality; and, certify that all of the permit information herein is accurate. If I am the property owner applying for an erosion control or construction permit, I have read and signed the attached cautionary statement. I expressly grant the building inspector, or the inspector’s authorized agent, permission to enter the premises for which this permit is sought at all reasonable hours and for any proper purpose to inspect the work which is being done.

*Note to Property Owners: If the owner of the property is listed as the contractor, a license is not required; however, the attached “Cautionary Statement” must be signed by the property owner.
101.65(lr) of the Wisconsin Statutes requires municipalities that enforce the Uniform Dwelling Code to provide an owner who applies for a building permit with a statement advising the owner that:

If the owner hires a contractor to perform work under the building permit, and the contractor is not bonded or insured as required under S.101.654(2)(a), the following consequences might occur:

a) The owner may be held liable for any bodily injury to or death of others or for any damage to the property of others that arises out of the work performed under the building permit or that is caused by any negligence by the contractor that occurs in connection with the work performed under the building permit.

b) The owner may not be able to collect from the contractor damages for any loss sustained by the owner because of a violation by the contractor of the one- and two-family dwelling code or an ordinance enacted under Sub.(1)(a) because of any bodily injury to or death of others or damage to the property of others that arises out of the work performed under the building permit or because of any bodily injury to or death of others or damage to the property of others that is caused by any negligence by the contractor that occurs in connection with the work performed under the building permit.

CAUTIONARY STATEMENT TO CONTRACTORS FOR PROJECTS INVOLVING BUILDINGS BUILT BEFORE 1978

If this project is in a dwelling or child-occupied facility, built before 1978, then the requirements of Ch. DHS 163 requiring Lead-Safe Renovation Training and Certification apply. For details of how to be in compliance, go to [http://dhs.wisconsin.gov/lead/renovationrules.htm](http://dhs.wisconsin.gov/lead/renovationrules.htm).

---

I agree to comply with all applicable codes, statutes, and ordinances, and with the conditions of this permit; understand that the issuance of the permit creates no legal liability, express or implied, on the state or municipality; and, certify that all of the permit information herein is accurate. If I am the property owner applying for an erosion control or construction permit, I have read and signed the above cautionary statement. I expressly grant the building inspector, or the inspector's authorized agent, permission to enter the premises for which this permit is sought at all reasonable hours and for any proper purpose to inspect the work which is being done.

I vouch that I am or will be an owner-occupant of this dwelling for which I am applying for an erosion control or construction permit (of a single-family or two-family dwelling) without a Dwelling Contractor Certification and have read this Cautionary Statement regarding contractor responsibility. (Note: This form is not required for general contractors of multi-family or commercial buildings).
