Bids on equipment should be stated on the attached bid form, signed and dated and mailed to the above address or e-mailed to [kenoshapurchasing@kenosha.org](mailto:kenoshapurchasing@kenosha.org) No faxed bids will be accepted. Equipment bids received after the deadline will not be considered.

Appointments can be scheduled to inspect the buses by contacting Mr. Jonathan Luellan, Kenosha Area Transit Maintenance Supervisor at 262-653-4296.

The City reserves the right to reject any or all proposals or to accept any equipment bid(s) considered the most advantageous to the City of Kenosha. The award does not necessarily need to be accepted in aggregate by the City of Kenosha.

All buses and components being sold come "AS IS" with no warranties either expressed or implied being given by the City. (The successful vendor(s) will be required to sign a disclaimer of which a draft copy of the disclaimer is included).

Please note that five (5) buses have been deemed road-worthy and can be driven to the successful bidder's location. Six (6) have been deemed non-operable due to pronounced engine problems, thus they are not road-worthy, and have been equipped with "No Value Tires". These buses would need to be flatbedded, trailered and/or towed by the successful bidders to their location.

Buses shall be paid for prior to or at the time that the bus(es) are scheduled for retrieval. Payment shall be by submission of either a cashiers or certified check to the Department of Finance, Municipal Office Building, Room 208, 625-52nd Street. Kenosha, WI. 53140 prior to the retrieval of any surplus asset.

Successful bidders shall provide verification that at time of sale they 1) received the signed-over title to the buses from the City of Kenosha, and 2) that they took possession of the signed-over title and acknowledged its transfer by providing their signature.

If successful bidders sell the surplus buses to another party, documentation of that transaction in the form of the Sale & Transfer to Third Party Form, along with a copy of the front and back of the signed transferred and executed title shall be forwarded to the City of Kenosha. Upon each sale and transfer of title of surplus buses that were originally sold and signed-over to bidder from the City of Kenosha, this form shall be provided to the City of Kenosha.
