KENOSHA, WISCONSIN

GENERAL LABOR AGREEMENT

This Memorandum of Agreement, by and between the CITY OF KENOSHA, a municipal corporation, organized and existing under the laws of the State of Wisconsin, its successors and assigns, party of the first part, hereinafter called, "CITY" and LOCAL #998 of the AMALGAMATED TRANSIT UNION, party of the second part, hereinafter called "UNION."

WITNESSETH:

WHEREAS, it is to the mutual advantage of the members of the Union and the City that the present friendly and cooperative spirit be continued; and

WHEREAS, the City performs an essential public service and both parties agree to provide continuous service without interruption to the public; and

WHEREAS, the welfare of the members of the Union is dependent upon the profitable operation of the City; and

WHEREAS, both parties agree that the most attractive type of service must be given at all times by employees to riders to secure and hold revenues in sufficient volume to make a profitable operation possible; and

WHEREAS, an agreement covering employee rights, duties, wages, hours of service, working conditions, and grievance procedure will tend to promote harmony and efficiency in the organization and tend to ensure the most attractive type of service; and

WHEREAS, a complete understanding and agreement has been reached between the City and the Union and it is the desire of both parties that the agreement be reduced to writing;

NOW, THEREFORE, in consideration of the mutual covenants and agreements hereinafter set forth, it is mutually agreed as follows:

ARTICLE I - RECOGNITION OF UNION

1.01 The Union shall be the sole representative for collective bargaining of the City's operating employees classified as Full-time Bus Driver, Part-time Bus Driver, and Service Attendant, but excluding supervisory, managerial and confidential employees.

1.02 The Union agrees that it will not include or retain as active members in its membership roster full time supervisory employees of the City or their office assistants.

1.03 This Agreement shall in all respects, wherever the same may be applicable herein, subject and subordinate to the provisions of the Charter of the City of Kenosha in effect at the time of the execution of this Agreement and shall also be subject to the Rules and Regulations of the Civil Service Commission of the City of Kenosha, within its statutory

jurisdiction, and shall further be subject and subordinate to the statutes of the State of Wisconsin.

1.04 Where any rule or commission policy is in conflict with any specific provisions of the contract, the contract shall govern.

1.05 The Union shall be provided a copy of any new rule or Commission policy or amendment to any rule or Commission policy.

ARTICLE II - UNION BUSINESS

2.01 Employees of the City who may be called upon to transact business of the Union which requires their absence from duty shall, upon proper application to the proper officers of the City, be allowed to absent themselves for a sufficient time to transact such business. It is further agreed that any employee of the City who may be elected or appointed to office in Local #998 which will require his/her absence from duty with the City shall, at the expiration of such office, be reinstated in his/her former position including all his/her seniority rights and other rights then common to other employees, provided that he/she is then qualified to return to work.

ARTICLE III - NEGOTIATIONS

3.01 The City and the Union mutually agree at all times to meet with each other through their duly accredited officers, Department Heads, representatives and committees upon all matters arising out of this Agreement or otherwise of mutual interest.

3.02 The City agrees to grant time off, without loss of pay, to two employees to attend negotiation meetings with the City provided such employees are members of the negotiating team. The Union will make known the negotiating team ninety (90) days prior to the termination of this Agreement.

ARTICLE IV - GRIEVANCE PROCEDURE

4.01 The term "grievance" shall mean any dispute or difference of opinion between the Union or any of its members and the City as to interpretation or application of any provision of this Agreement. In the event of any grievance there shall be an earnest effort made to settle or dispose of such matter promptly by negotiation between the appropriate designated Representatives of the Parties in the manner provided in this Grievance Procedure.

4.02 To be processed, a grievance shall be presented within 10 days Monday-Friday working days excluding holidays after the time the employee affected knows, or should know, the facts causing the grievance.

All grievances beyond the first step shall be presented in writing. Discharge grievances shall be presented at the second step. All other grievances shall be presented at the first step of the grievance procedure. All grievances not timely presented shall not be entitled to consideration by the party to whom it is presented.

4.03 Grievances shall be processed as follows:

Step 1.

The employee and/or his/her Union representative shall attempt to settle the issue with the immediate supervisor.

Step 2.

If the issue is not settled, then the employee, his/her representative, and the immediate supervisor shall attempt to settle the issue with the Department Head. Such issues shall be in writing stating fully the details of the grievance and shall be submitted within five (5) working days of Step 1. The Department Head shall hear the grievance within five (5) working days and shall render his/her decision in writing within five (5) working days of the hearing.

Step 3.

If a satisfactory settlement is not reached as outlined in Step 2, the grievance may be submitted to the Mayor or his/her designate who shall hear the grievance within ten (10) working days after its receipt and shall render its written decision within five (5) working days. If the grievance is not presented to the Mayor or his/her designate within five (5) working days of the Department Head's response in Step 2, it shall be considered settled. If satisfactory settlement is not reached as outlined in Step 3, the parties may agree to utilize Step 4a.

Step 4a. Civil Service Commission.

If a satisfactory settlement is not reached as outlined in Step 3, the Union may appeal to the Civil Service Commission in writing within ten (10) working days following the decision of the Mayor. This time limit may be waived by mutual consent. The decision of the Civil Service Commission shall be final, and no further appeal shall be possible. If the Union decides not to use Step 4a, then the following shall apply.

Step 4. Arbitration. (See Addendum for Part-time Drivers)

If a satisfactory settlement is not reached as outlined in Step 3, the grievance may be appealed to arbitration. The party making the appeal shall, within ten (10) workdays following the decision of the Mayor, submit the grievance to arbitration pursuant to Article V of this Agreement. If the Union's constitution or by-laws require a vote of the membership to authorize an appeal to arbitration, this ten (10) workday time limit may be extended to thirty (30) calendar days at the request of the Union. In those cases where the time limit has been extended as provided herein and the grievance is appealed to arbitration, the City shall not be liable for reimbursement of any lost wages or benefits which may be ordered paid by an arbitrator for time between the tenth workday following the decision of the Mayor or his/her designate and the day the grievance is appealed to arbitration.

4.04 If no appeal is made from a decision made at any step in the time and manner specified herein, such decision shall be final and binding with respect to such grievance.

4.05 The time limits prescribed above shall exclude the day on which the initiating event occurs. In no event, however, shall Sundays, holidays, or other excused absences (except leaves of absence) be counted in determining the time within which an action is required.

4.06 At any and all steps of the grievance procedure, the grievant may be present if he/she so elects.

ARTICLE V - ARBITRATION

5.01 In the event of failure to reach a mutually satisfactory adjustment of any difference which may arise respecting interpretation or application of, or compliance with the terms and conditions of this contract, the matter shall be submitted to arbitration, it being understood and agreed, however, that any and all differences relating to any renewal or extension of this Agreement beyond the initial term or extension thereof or to any changes in or modifications of this Agreement or to any change in rates of pay, hours of labor, rules, and working conditions are excluded from the arbitration provisions of this section and will not be arbitrated.

5.02 Arbitration provided for herein shall be submitted to an Arbitration Board consisting of three persons, one to be chosen by the City, one to be chosen by the Union, and the two thus selected shall meet daily to select a third. In the event they have not agreed on such third person within fifteen (15) days after their appointment, the Federal Mediation and Conciliation Board shall be asked to submit a panel of seven persons from which the City Arbitrator and the Union Arbitrator shall alternately strike names, the last name remaining shall become the Chairman of the Arbitration Board. During arbitration proceedings, there shall be no strike or lockout. The findings of the Arbitration Board shall be in writing and the majority decision shall be final and binding upon both parties to this Agreement.

5.03 Either party desiring to arbitrate under the provisions of this section must notify the other party in writing. Each party shall within ten (10) days after the receipt of such notice appoint its arbitrator and give written notice thereof to the other party. In the event of failure of either party to appoint its arbitrator and give notice of such appointment within the time so prescribed, such party shall forfeit its case. In case any arbitrator resigns, withdraws, becomes incapacitated, or dies, his/her place shall be filled in the manner previously provided and arbitration shall thereupon proceed from the point where such interruption occurred.

5.04 Each party shall bear the expense of its own arbitrator and all expenses incurred in connection with the preparation and presentation of its own case. Any joint expense, including expenses of the third arbitrator, transcripts, and meeting rooms, incurred in conducting the arbitration shall be jointly shared.

ARTICLE VI - MANAGEMENT RIGHTS

6.01 Personal Standards

The management and operation of the business, the direction of all employees, the determination of necessary minimum qualifications for any job, the appraisal of the qualifications of any individual for a particular job, and the selection of all employees for original hiring or promotion, are reserved by, and shall be vested exclusively in the City.

However, after a Full-time Driver or Service Attendant has passed the one hundred and eighty (180) day probationary period in the City's service as specified herein, or a Part-time Driver has passed the (thirty-eight 38 week) probationary period as specified with all in the Addendum for Part-time Drivers, he/she shall not have his/her qualifications for the particular position which he/she holds questioned without just cause but specifically this provision shall not apply in the event the bonding company refuses or cancels the surety bond covering an employee; nor shall it apply in the event an employee is found to have been convicted of larceny or other statutory or criminal offenses against morality and decency. Should any employee desire to transfer to a position other than the one in which

he/she has qualified, the qualifications imposed shall be no more stringent than those required of any new employee.

6.02 Work Rules

Except as otherwise provided for in this Agreement, the Union recognizes the prerogative of the City to operate and manage its affairs in all respects in accordance with its responsibilities. The Union recognizes the right of the City to establish reasonable work rules. The Union recognizes the right of the City to establish and enforce reasonable standards relating to employees' personal appearance. Any dispute with respect to reasonableness may be submitted to the Grievance Procedure.

6.03 Overtime Scheduling

The City has the right to schedule overtime work according to seniority as required in the manner most advantageous to the City and consistent with the requirements of municipal employment and the public interest.

6.04 Fitness Standards

Nothing herein contained, however, shall take away from the City its recognized right to specify reasonable standards of health and physical fitness required of its employees for the safe operation of its service to the public, or its right to require appropriate physical examinations from time to time. Such physical examinations are to be made by an examining physician either suggested by the City or by the employee's own choice, and the City agrees to pay for such physical examination within the standards set by the City. Every employee is to make his own appointment for such examination.

6.05 Physical Examinations

For each physical examination required by the City during this contract period in excess of the one aforementioned, the City reserves the right to designate the examining physician and such employee shall be entitled to pay at straight time rate for the actual time consumed with a maximum of two (2) hours.

6.06 Alcohol & Drug Testing

Testing to determine if an employee is under the influence of alcohol or other substances shall be performed and administered under the City of Kenosha Transportation Drug and Alcohol Testing Policy initially approved by the City on July 2, 1996. In addition, employees shall be tested within fifteen (15) days of their anniversary date unless the employee has already been tested within the preceding twelve (12) months. Employees will be paid for time spent in testing.

ARTICLE VII - FEDERAL FUNDING RESTRICTIONS

7.01 This Agreement takes note of the Federal Emergency Employment Act and participation by the Federal Government. Federal Laws shall at all times take precedence, when such are in conflict with the wording of the contract.

ARTICLE VIII - DISCIPLINE

8.01 The right to discipline belongs to and rests exclusively with the City. Nevertheless, any employee covered by this Agreement shall have the right to be heard by the proper officials of the City and to produce witnesses or officers of the Union in his behalf as to the truth of the charges preferred against him and finally, if the charges are not sustained, shall have his record cleared of such charges; and in case of any loss of wages shall receive reimbursement for such loss. Only discipline which involves the discharge or suspension of an employee for more than one (1) day may be arbitrated, except that discharge or

suspension of an employee (1) for dishonesty or drunkenness, and (2) for unlawful conduct during hour on duty will not be arbitrated where, in the opinion of the City, its retention of the employee might constitute ratification of his conduct.

8.02 Charges against an employee shall be specific and shall be called to the employee's attention within seventy-two (72) hours after notice of the alleged offense has been brought to the attention of the Department Head concerned. Sundays, holidays, scheduled days off and time off for sickness, etc. shall not be included in these seventy- two (72) hours.

8.03 No discipline by suspension shall be administered to any member which shall impair his seniority rights. Discipline is to be administered within thirty (30) days of each incident causing the discipline.

The Union Steward and the Union office shall be supplied with a copy of disciplinary actions.

8.04 Members of the Union shall not be reprimanded within hearing distance of the public or other members of the Union.

ARTICLE IX - UNPAID LEAVES OF ABSENCE

9.01 Military Leave.

Military leaves of absence shall be granted to employees who enlist or who are ordered to military service. Such employees shall return to employment without loss of seniority rights provided application for re-employment is made within the statutory time limits regulating the re-employment rights of veterans from the Armed Forces. Re-employment shall be in accordance with the applicable statutes in effect at the time of re-employment.

9.02 Full-time Bus Drivers and Service Attendants ordered to military reserve training not exceeding ten (10) working days per year shall be paid the difference between their regular rate of pay and their military pay, excluding travel pay. A payroll check is provided for the employee as normal during the period of annual military reserve training. Upon returning from military duty, the employee must submit to payroll the compensation statement given to them by the military. The statement, less travel pay, is compared to the net checks the employee received from the City.

City net pay for this purpose is defined as Gross Pay less FICA and taxes.

1. If the military net pay (net pay on statement less travel pay) is less than net pay from the City (as defined above), the employee must reimburse the City the military net pay amount.
2. If the military net is greater than the net pay from the City, the employee must reimburse the net pay received from the City.

The payroll division adjusts the employee's year-to-date (YTD) file as follows:

1. Gross wages, WRS and FICA earnings are reduced by the amount of the reimbursement.
2. The employee portion of the FICA contribution is refunded to the employee. This amount is computed based on the amount of reimbursement.

9.03 Extended Illness Leave. (See Addendum for Part-time Drivers)

A Full-time Driver or Service Attendant who exhausts his/her sick and annual leave credits and is still unable to return to work due to illness or injury shall be granted a leave of absence provided that a doctor's statement is submitted indicating the extent of the employee's illness or injury and the length of time the employee will be unable to work. Such leave shall not extend for more than one (1) year without mutual agreement of the City and the Union. Upon return to work from an extended leave due to illness or injury, an employee shall submit a doctor's statement indicating he/she can fully resume his/her normal work duties.

9.04 Personal Leave.

Upon approval of the Department Head, employees may be granted personal leaves of absence up to five (5) days to conduct personal business subject to the staffing needs of the department. Personal leaves of longer duration shall be given full consideration subject to departmental needs and final approval by the Personnel Director.

9.05 Requests for leaves of absence shall be submitted in writing to the Department Head at least ten (10) days prior to the contemplated starting date of the leave and shall state the circumstances involved, the number of workdays requested, and in the case of a request for a medical leave, shall be accompanied by a physician's statement.

9.06 Requests for leaves of absence shall not exceed sixty (60) calendar days except in cases of military leave or leaves due to serious illness.

ARTICLE X - BULLETIN BOARDS

10.01 The City agrees to maintain Union bulletin boards in the Bus Operators' rooms. No materials shall be posted thereon except notices of meetings, social occasions of employees, and similar Union business.

ARTICLE XI - DUES CHECK-OFF AND FAIR SHARE

11.01 Dues Check-Off.

The City agrees to deduct each month from the wages of each employee who signs a check-off authorization and assignment the amount of his current monthly Union dues set forth by the by-laws of the Union and by the fifteenth (15) day of each month remit the total of such deductions to the Financial Secretary of the Union. It is understood that such check-off authorizations are revocable in the manner stipulated therein. The form for such check-off authorization and assignment is set out in Section 11.04.

11.02 The Employer further agrees to deduct from the wages of former members of the bargaining unit who have been laid off and are working as seasonal school tripper drives and who voluntarily sign a check-off authorization and assignment for laid off regular workers returning to seasonal work the amount specified therein, as set forth in the by-laws of the Union, and pay said amount to the Treasurer of the Union on or before the end of the month following the month in which such deduction was made. The form for such check-off authorization and assignment is set out in Section 11.05.

11.03 The Union accepts full responsibility for obtaining check-off authorizations from its members and delivering such authorizations to the City. Check-off authorizations must be delivered eight (8) days before the dues payday of the month. It is understood that payroll

deductions made under this arrangement shall be limited to the current month's dues. The Union agrees to take care of the collection of initiation fees, assessments, and any dues which are in arrears. Changes in the amount of dues to be deducted shall be certified by the Union thirty (30) days before the effective date of the changes.

11.04 General Form for Monthly Dues and Initiation Fee Authorization

11.06 Fair Share Agreement.

The Employer agrees that it will deduct from the monthly earnings of all employees in the collective bargaining unit who do not sign a check-off authorization and assignment under Sections 11.01 through 11.05, the monthly dues certified by the Union as the current dues uniformly requested of all members, to pay such employees' proportionate share of the cost of the collective bargaining process and contract administration. The City will pay said amount to the Treasurer of the Union on or before the end of the month following the month in which such deduction was made.

Changes in the amount of dues to be deducted shall be certified by the Union thirty (30) days before the effective date of the changes.

As to new employees, such deduction shall be made from the first paycheck following the first thirty (30) days of employment.

The Employer will provide the Union with a list of employees from whom such deductions are made with each monthly remittance to the Union.

ARTICLE XII - EMPLOYMENT

12.01 Probationary Period (See Addendum for Part-time Drivers)

When new employees are required in any occupational group under the jurisdiction of the Union, employees from any of these groups who have been laid off within the prior twelve (12) months shall be given preference in order of their seniority, other qualifications being equal and provided they are qualified to return to work and perform the duties of the job. New Full-time Drivers and Service Attendants, and those rehired after a break in service, will be regarded as probationary employees for the first six (6) calendar months of work in a vacant position in the Transit Department Table of Organization. If an employee on probation is disciplined or dismissed during the probationary period, he/she shall not have recourse through the grievance procedure.

All employees who have passed their original probationary period, and have been laid off under the provisions of Article XXIX, shall be exempt from serving a probationary period upon their recall.

12.02 Posting Vacancies

When a vacancy occurs or new positions are created, or when it is desirable to train an employee for any position up to and including the position of Supervisor or Working Foreman, employees shall be notified by bulletin at least three (3) days (Saturdays, Sundays and holidays included) prior to the time the position is to be filled permanently.

12.03 The City agrees that there will be no discrimination against members of the Union, and the City will consult with the Union's representatives in any promotion which the Union desires to question. Other qualifications being equal, the senior man shall be given the first opportunity for promotion but shall have the privilege of passing up the promotion at his option.

ARTICLE XIII - SENIORITY

13.01 a. Definition.

Seniority shall mean the status attained by length of continuous service following the successful completion of the probationary period. Seniority shall accrue from the date an employee entered or re-entered employment with the City. Seniority shall not be diminished by layoffs of less than twelve (12) months, leaves of absence of less than thirty (30) days, or leaves of absence granted for military service nor shall seniority be accumulated during such times. Seniority shall be by occupational group. A seniority list shall be kept.

b. Loss of Seniority.

Employees shall lose their seniority for any of the following reasons:

- (a) Discharge, if not reversed,
- (b) Resignation,
- (c) Absence from work without a legitimate reason for three (3) consecutive workdays without notifying the City of the reason for such absence. This employee shall be considered as having resigned.
- (d) Unexcused failure to return to work when recalled from a layoff as set forth in the call procedure.
- (e) Retirement
- (f) On layoff for a continuous period of time equivalent to twelve (12) or more calendar months.
- (g) Full-time Drivers and Service Attendants accepting other employment while on a leave of absence, unless such leave was granted to allow other employment.

c. Recognition of Principle

The City recognizes the principle of seniority and the Union recognizes the need of maintaining an efficient workforce. In all matters involving the increase or decrease of forces, layoffs, or transfers, the seniority of the employees involved shall be given primary consideration. Skill, ability and efficiency shall be considered only where they outweigh consideration of length of service.

13.02 Transfers (See Addendum for Part-time Drivers)

If a Full-time Driver or Service Attendant, with the approval of the City, elects to change from his/her present occupational group to another occupational group within the bargaining unit and such change is made, the said employee shall lose his/her seniority in his/her present occupational group. If during a probationary period of ninety (90) days said employee is found incapable of holding his/her new position or elects to switch back, he/she shall revert to his/her former position with full seniority including time accrued during the probationary period.

13.03 The City and the Union hereby agree upon the seniority lists for Full-time Drivers, Part-time Drivers, and Service Attendants. These lists set forth the name of each employee, his seniority rank, and the starting date of his seniority. These lists cover all members of the Union employed by the City as of the date of this agreement.

13.04 The two parties hereto agree that, for the purpose of determining the seniority rights of an employee, the said lists, with additions thereto for new employees and reductions therefrom for employees leaving the service of the City, shall be final and conclusive.

13.05 It is further agreed that a copy of the said seniority lists for Full-time Drivers, Part-time Drivers, and Service Attendants shall be posted in the Operator's Room.

ARTICLE XIV - GENERAL PROVISIONS

14.01 Promotion Out of Bargaining Unit

Employees who are transferred or promoted to any other position in the City not covered by this Agreement shall automatically be dropped from their respective seniority list at the end of the successful completion of their probationary period in the new classification. Said employees may return to their former classification within the period of probation in the new classification. Employees who wish to return to their former classification after the successful completion of the probationary period in the new position may do so if there is an existing vacancy. Such employees will go to the bottom of the seniority list.

14.02 Appearance at Legal Proceedings

If, as a direct result of his/her employment by the City, an employee is required to report to the City Office, Police Department, or attend a court hearing, inquest, or other legal proceeding, the City will release him/her from work, if necessary, for such appearance.

(A) Pay for such appearance shall be according to the following:

If time is lost from the employee's regular work assignment, he/she shall be paid for all time lost at his/her regular rate of pay.

1) If such appearance is outside the employee's regular work assignment, he/she shall be paid for all time so spent, or for two (2) hours, whichever is the greater, at his/her regular straight time rate. Time so paid shall not be included in overtime calculations and will apply toward minimum wage guarantee.

2) The payments provided in (1) and (2) above shall be reduced by the amount of witness fees received, if any.

(B) The payments provided for in paragraph (A) shall be made only if the employee presents verification of the time spent in such attendance and the amount of witness fees received, if any, and further, only if he/she notifies the Department Head or his/her deputy upon release from such appearance of his/her availability for work.

(C) If the appearance is required because the employee exceeded the scope of his/her duties or performed unauthorized or illegal acts, no payment will be made.

(D) Assignment of work before and after such appearance shall be in accordance with present practices.

(E) In the application of this paragraph 14.02, it is understood reasonableness and good judgment shall be used.

14.03 Non-Discrimination

The City, union, and employees will not discriminate or retaliate against an individual on the basis of age, race, creed, color, disability, marital status, sex, national origin, ancestry, arrest record, sexual orientation, conviction record, military service or declining to attend a meeting or to participate in any communication about religious matters or political matters.

ARTICLE XXIV – VACATIONS for Full-time Drivers and Service Attendants

24.01 Full-time Drivers and Service Attendants covered by this Agreement who have successfully completed their probationary period and the required length of continuous and satisfactory service shall earn annual leave at the end of each full calendar month of service during which they work the majority of their scheduled workdays in accordance with the following table based on anniversary dates of employment. If an employee's anniversary date of employment falls on or before the 15th of the month, he/she shall be credited for vacation under the higher vacation accumulation formula for that month. If the employee's anniversary date of employment falls on or after the 16th day of the month, he/she shall be credited for vacation under the lower vacation accumulation formula for that month. In the latter case, vacation shall be accumulated under the higher formula beginning with the month following the employee's anniversary date. For purposes of interpreting this section, workdays paid for shall be considered workdays worked.

Effective January 1, 2003, the eligibility table will be as follows:

Continuous Years of Service	Days Per Year	How Accumulated
Less than one	7	½ day per mo. Except Full day for April & August
One but less than ten	12	1 day per month
Ten but less than fifteen	17	1-1/2 days per mo. Except 1 day for April & August
Fifteen but less than eighteen	18	1-1/2 days per mo.
Eighteen but less than twenty-five	20	1-1/2 days per mo. Except 2 days for March, June, September & December
Twenty-five or more	25	2 days per month except 2-1/2 days for April & August

24.02 On January 1 of each year, Full-time Drivers and Service Attendants shall be credited with their full annual leave accumulation for that year based on the above table. It is mutually understood and agreed that such accumulation is an advance credit and any employee who leaves the service of the City during a year for any reason except death shall have his vacation accumulation prorated for that year and that any such employee who has used more leave than the prorated amount shall be liable to pay the City in cash for all such additional time off. It is further mutually agreed that the City is authorized to deduct such payment from the employee's paycheck, if necessary.

24.03 Service Attendants shall be allowed to split up to three (3) days of accumulated leave into half-days, using four (4) hours of leave per day, subject to adequate staffing.

ARTICLE XXV - COMMERCIAL DRIVERS LICENSE (CDL)

25.01 The renewal cost of the CDL (excluding testing fees) shall be paid by the City. The City determines CDL class, endorsements and restrictions.

25.02 In the event an employee is not successful in passing the Commercial Driver's License Exam, or loses the license, the employee will be placed on a leave of absence for a period of up to 60 calendar days and will be returned to his/her former position if the license is obtained during that time. Part-time drivers will be allowed to fill in for the employee during that time. If after 60 days the employee still does not have their CDL, the leave of absence will continue for up to one year, unless extended beyond the one year period by mutual agreement of the City and the Union; however, the employee will have to wait for the next available opening to return to their position. Leaves of absences exceeding thirty days shall result in adjustment of the length of service date beginning on the first day of the leave of absence.

ARTICLE XXVI - GENERAL COMMITMENT OF THE UNION

26.01 It is agreed by the City and the Union that, in consideration of mutual covenants herein contained, the members of said Union will be courteous to passengers and the general public and work at all times for the best interests of the City. They further agree that they will at all times protect the property of the City from injury at their own hands or at the hands of others when in their power to do so; that in the handling of motor coaches they will at all times comply with the rules of the City, State Laws and City Ordinances and use every effort to prevent injury to property and personnel of the City and of the traveling public.

ARTICLE XXVI & XXVIII: INTENTIONALLY LEFT BLANK

ARTICLE XXIX - LAYOFF AND RECALL

29.01 The City has the right to lay off employees. The layoff of employees in any department shall be inverse order of seniority in the occupational group within the Transportation Department. Whenever possible, the City agrees to give the Union two (2) weeks notice before layoffs occur, but this is not intended to prevent layoffs when such notice is not feasible. In the event of a layoff, employees may also volunteer to be laid off. Employees volunteering to be laid off shall be chosen in order of seniority.

Laid off Full-time Drivers and Service Attendants shall have the opportunity to bump into Driver and Service Attendant positions occupied by employees with less seniority. Laid off Full-time Drivers and Service Attendants who choose to bump into another occupational group must notify the employer of his/her desire to do so within twenty-four (24) hours from the time the employee is notified of his/her layoff. Laid off Full-time Drivers and Service Attendants who choose to bump into another occupational group shall be placed at their current seniority on the bumped into seniority list.

Laid off Full-time Drivers and Service Attendants shall have the opportunity to bump into part-time positions. Laid off Full-time Drivers and Service Attendants who choose to bump into a part-time position must notify the employer of his/her desire to do so within twenty-four (24) hours from the time the Full-time Driver or Service Attendant is notified of his/her layoff. Laid off Full-time Drivers and Service Attendants who choose to bump into a part-time

position shall be placed at the top of the part-time seniority list and shall be transferred to the next full-time vacancy (ies) that occur.

29.02 Recall from Layoff.

- (A) The names of employees laid off through no fault of their own shall remain on a departmental call list for a period equal to twelve (12) calendar months from date of layoff.

Employees shall have the right to be re-employed in order of their seniority as provided in Section 12.01 of this Agreement.

- (B) Employees recalled from layoff shall be given a maximum of five (5) workdays to respond after notice has been sent by certified mail to their last known address on file with the City Personnel Department and five (5) workdays to resume work. This notice shall constitute sufficient notice of work availability. A copy of said recall notice shall be sent to the Union's Financial Secretary.
- (C) Employees who fail to respond to or decline a call to return to work within the time limits provided above shall be presumed to have resigned.
- (D) The 12 calendar month period referenced in (A) above shall not apply to laid off Full-time Drivers who have bumped into part-time position who shall be transferred to the next full-time vacancies in accordance with 29.01 whenever they occur. However, a Full-time Driver who bumps into a part-time position and then quits during the twelve month recall period, shall only have recall rights for the twelve month period immediately following the layoff from the full-time position.

ARTICLE XXX - CONDITIONS OF AGREEMENT

30.01 This Agreement constitutes an entire Agreement between the parties and no prior verbal or written statement shall supersede any of its provisions.

30.02 The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make requests and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after exercise of that right and opportunity are set forth in this Agreement. FOR THE CITY

Appendix C

POLICY AND PROCEDURE

ATTENDANCE MONITORING AND CONTROL FOR FULL TIME DRIVERS, PART-TIME DRIVERS AND SERVICE ATTENDANTS

Statement of Policy

The City of Kenosha grants leave with pay to qualified employees to enable them to take time off from work to conduct their personal affairs. The City also provides paid sick leave to qualified employees to enable them to take time off from work when they sustain an incapacitating injury or illness. Paid sick leave is not a supplement to other paid leave and it shall not be used in the absence of an incapacitating injury or illness.

Unscheduled leave has a disruptive effect upon the operations of the City, in that it makes it difficult to effectively schedule work and equitably distribute the workload. In order to deliver municipal services to the community on a timely and efficient manner, it is the goal of the City to maintain a stable workforce and to schedule work in the most efficient, effective and equitable manner possible. To achieve this goal, it is herein declared to be the policy of the City that employees are responsible for making themselves available for work on a reasonable and regular basis. Employees who fail to make themselves available for work on a reasonable and regular basis are subject to progressive discipline up to and including termination of employment.

Definitions

The following terms shall, for the purpose of this policy and procedure, have the meanings provided below:

1. Incapacitating injury or illness shall mean an injury or illness, which, based upon reasonable medical certainty, justifies an employee's absence from work for the well-being of the employee and/or employer.
2. Occurrence shall mean a consecutive period of hours or days absent from work, whether paid or unpaid, regardless of duration, for any reason, except jury duty, union activity authorized under a Labor Agreement, compensatory leave, annual leave, floating holiday or leave associated with a worker's compensation case or a Family Medical Leave Act (FMLA) case, or other approved leave of absence with pay which is properly authorized in advance.
3. Application: This policy shall apply to all Full-time Drivers, Part-Time Drivers and Service Attendants represented by ATU Local #998.

Calling In

Employees who are not excused from work in advance of the scheduled reporting time are required to promptly call the Department Head or designee thereof prior to the normal starting time on any day should he/she be late for work, or should they be absent from work for all or part of one (1) or more scheduled workdays. Employees and persons calling in on behalf of employees must provide their name, the reason for the absence or late arrival, the expected time of arrival or return to work, and the address and telephone number at which the employee can be reached. Employees shall be subject to disciplinary

action for non-compliance. Nothing in this section shall be construed to prevent a department from continuing to use or implementing alternative call-in procedures.

Attendance Monitoring - Responsibility

The Department Head shall be responsible for uniform enforcement of this policy and procedure with respect to their employees, including the monitoring of the attendance of employees, notifying employees when they are suspected of not making themselves available for work on a reasonable and regular basis, issuing appropriate warnings, and for the taking of or recommending appropriate disciplinary action.

Monitoring Period

Attendance shall be monitored each month by reviewing the preceding twelve (12) month period. Absences occurring prior each twelve (12) month review will not normally be counted, although they may be given weight where an employee's long term attendance pattern is being reviewed.

Attendance Monitoring - Procedure

During January of each year, the previous twelve (12) month period will be analyzed to determine the number of occurrences of absence meeting the definition of occurrence previously identified for each employee. The ten percent (10%) of employees who have the greatest number of occurrences for the year will be identified. The least number of occurrences within the group identified will be the threshold triggering review for each additional monthly review occurring during the year. Those employees falling into the group of ten percent (10%) and employees reaching the threshold in the following months shall have each occurrence identified during the monitoring period reviewed to determine whether the utilization of time off exhibits any of the following traits or characteristics:

- a) Occurs frequently and is of short duration;
- b) Falls on a Friday or Monday or before or after other days off;
- c) Falls on the day before or day after a paid holiday or other authorized paid leave time;
- d) Occurs when paid leave, other than sick leave, is exhausted;
- e) Occurs when all paid leave, including sick leave, is exhausted;
- f) Demonstrates a habitual exhaustion of paid sick leave, in the absence of incapacitating injury or illness which is verified by a medical report.
- g) Occurs when there is no incapacitating injury or illness;
- h) Involves an unscheduled use of paid leave or leave without pay (LWOP) after sick leave benefits have been exhausted;
- i) Long term sick leave.

After completing the review and summarizing the results, the Department Head or his/her designee shall meet with the employee and discuss the leave usage problem. The summarized information should be presented to the employee and he/she should be given the opportunity to explain any special or extenuating circumstances that would account for the high level of leave usage. If the absences can be documented to the satisfaction of the Department Head or his/her designee, then no further action need be taken, except that the reasons for the absences, the summary data, and the prospect for future occurrences of a similar type should be documented. This information should be retained by the Department

Head with a copy to Personnel.

Verbal Warning

If a satisfactory explanation cannot be provided, then the employee should be verbally informed that they are considered to be a sick leave abuser and that they must take immediate action to improve their attendance record. The employee should also be informed that continuation of the utilization problems or pattern of sick leave usage will result in further disciplinary action, up to and including termination. A memo should be placed in the employee's personnel file detailing the meeting.

Following the verbal warning, all occurrences of sick leave usage by the employee shall be monitored by the department for a minimum of one year. If the utilization problem or pattern of sick leave continues, the employee shall be given a written warning for the first occurrence. Subsequent occurrences shall result in further disciplinary action.

Written Warning

This warning shall inform the employee that his/her sick leave usage continues to be unacceptable, that they have ignored a previous verbal warning regarding the problem and have not taken the necessary action required to correct the problem. They shall be informed, in writing, that any use of sick leave in the succeeding twelve (12) months must be documented with a doctor's report. The doctor's report must be submitted immediately upon return to work and shall contain a certification from the physician stating the nature of the condition, the date(s) of absence due to such condition, that the employee was incapacitated, and a statement indicating whether or not the doctor examined the individual. The City may reject any report that is not signed by the physician or does not provide the required documentation. It is the responsibility of the employee to insure that any documentation submitted is complete. The City reserves the right to verify the contents of any doctor's report or require an examination by a physician or medical practitioner of the City's choosing.

The requirement for providing a doctor's slip may, at the discretion of the Department Head, be removed if no sick leave is used during a period of six consecutive months.

If during this twelve month review period the employee fails to provide the required doctor's report, or if the doctor's slip is determined to be unacceptable, then the following steps shall be taken:

- a) First Occurrence - Sick leave benefits will not be paid and the absence in question will be treated as a leave of absence without pay. A letter will be provided to the employee detailing the above action and an additional warning stating that the employee may be suspended or terminated for future occurrences of undocumented sick leave usage.
- b) Second Occurrence - Sick leave benefits will not be paid and the absence in question will be treated as a leave of absence without pay. In addition, the employee shall be given a one (1) day suspension without pay. A letter shall be provided stating that this is the final warning and that any instance of undocumented sick leave usage or unacceptable sick leave documentation during the review period shall result in termination.
- c) Third Occurrence - In the absence of significant extenuating/mitigating circumstances, a recommendation will be made to discharge.

Any employee who files a false medical report shall be subject to termination of employment.

MEMORANDUM OF UNDERSTANDING

Overtime Scheduling Full-Time Drivers

The overtime scheduling is accomplished as follows:

1. Bus operator overtime rotation lists will determine availability;
2. Overtime will be filled from these lists on a first open, first filled basis—hours of work having no bearing;
3. When overtime is passed on, the rotation continues until the work is accepted;
4. Day off drivers are asked first (Saturdays Monday through Friday shift drivers first);
5. If the day off drivers turn overtime down, driver's whose normal work shift will not be affected will be asked;
6. If the rotation proceeds through the process to the first person that was asked and that turned the work down, the dispatcher will assign the work to the lowest seniority driver working that day whose normal work shift will not be affected;
7. In all cases, the list rotates from the last person that worked or turned down work;
8. Trained extra-board operators may be asked to fill work before any payment of overtime is authorized. Streetcar work is only offered to streetcar certified operators. If an error in assigning overtime is alleged and there is a dispute regarding the remedy offered to the Union and the employee, that dispute will be subject to the grievance procedure.
9. The following are the current seniority rotating lists and the procedures for their operation.

Monday – Friday Overtime List

1. **Drivers on their day off are asked first.** Lists are kept containing who is off on certain days and they rotate.
2. **Next, drivers working that day are asked.** Lists are kept for each available Monday through Saturday shift and rotate as above.

Saturday – Overtime List

All Saturday work shall be offered first to Monday through Friday shift drivers. This will be assigned according to rotating list.

Sundays and Holidays Overtime List

This list would consist of all of the drivers. New drivers will be added to the list at the bottom *as it is related to the current position of the last O.T. worked by a driver on the list.*

Streetcar Overtime List

Streetcar overtime is only offered to trained and qualified Streetcar operators and a list is kept and rotates as overtime is offered.

Overtime for Service Attendants

Overtime work will be distributed among the Service Attendants as equally as possible. If no Service Attendants volunteer for overtime work management may assign the work in order of reverse seniority.

Note for each list: If a driver works **or** turns down a piece of work he or she is moved to the bottom of the rotation.

If no drivers volunteer for overtime

If no drivers volunteer for overtime management has the right to mandate drivers to work. Lists are not kept for this, as reverse seniority is always the rule. In order to lessen the impact this might have on drivers who may have planned vacations, etc., the following procedures apply:

1. **Drivers already working that day will be required to work first.**
Available drivers will do this according to reverse seniority.
2. **Next, drivers on their day off will be required.** After all available drivers in step (1) above are used, drivers on their day off will be required to come in. This will also be by reverse seniority. If a driver has chosen a week of leave, or taken leave on either side of a day off and designated it as vacation or leaving town, etc., he or she would be exempt from this procedure.
