Adopt-A-Spot Garden Volunteer Form

The City of Kenosha offers 35 various sized garden plots throughout the City. Some gardens are within parks, while others are in boulevards or at welcome signs. This no-fee program provides an opportunity for individuals or groups to help Keep Kenosha Beautiful. Volunteers are expected to maintain the area within the plot by planting, watering, and weeding throughout the year. Plants may be provided by the Department of Parks on a limited basis only. Requests for mulch and flowers will be provided to those on a first come basis.
