The City of Kenosha Park Division has set the following rules, policies and procedures for the safety of all patrons at Anderson and Washington pools. The aquatic staff of American Red Cross certified lifeguards strive to maintain the highest standards in emergency training. The purpose of the aquatic staff is to respond in an immediate and professional manner if an accident or emergency should occur. They are not to supervise your child or children, but to prevent accidents from happening. Therefore, parents are expected to closely supervise their children and assist in enforcing the following rules, policies and procedures for the safety and enjoyment of all patrons.

These policies are subject to change at the discretion of the Park Division. Any changes will be posted at each pool.

All decisions of the pool supervisors/head lifeguards regarding rules, policies & procedures are final.

EMERGENCY ACTION PLAN – Safety is a major concern not only when dealing with children, but especially when dealing with water activities. An Emergency Action Plan has been designed for all staff to follow in case of any emergency or accident. **One long whistle blow will activate the Emergency Action Plan, please follow lifeguard announcements.**
