Application for Dream Playground Fence Picket
Form #PWP004 (rev. 11/16)

Date: _____

This is your chance to own a piece of the Kenosha Dream Playground! The Kenosha Dream Playground Project is selling fence pickets, engraved to your specifications, to be used on the fence surrounding the playground. Due to the nature of the engraving process, we must receive 50 picket orders before we can begin the process. The pickets will be installed by the Department of Public Works once the engraving is completed. Thank you for your understanding of these constraints and for your contribution!
