

PRESS RELEASE

Public notice: Fire hydrant flushing

FOR IMMEDIATE RELEASE  
April 27, 2022

For further information contact:  
Kenosha Water Utility  
T: 262-653-4315

KENOSHA – For the benefit of public fire protection, the Kenosha Water Utility will be maintaining and flushing all fire hydrants in the area north of 60th Street and a limited number of hydrants south of 60th Street, between the lakefront and 156th Avenue.

Work will begin May 2, 2022. Some customers may experience a short period of cloudy or discolored water. Open the lowest faucet in the house for five minutes to clear the water.

If you have any questions, call the Kenosha Water Utility at: 262-653-4315.
